In re Application of :  
Jeffrey A. Hubbell, et. al. :  
Application No. 10/743,687 :  
Filed: December 19, 2003 :  
Attorney Docket No. 158264-0003 :

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed February 15, 2005, to revive the above-identified application.

The above-identified application became abandoned for failure to reply in a timely manner to the non-final Office action mailed June 30, 2004, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned after midnight September 30, 2004.

In response to the Office action, petitioner hereby submits \$1,500 for the petition to revive fee, an amendment, \$1,020 for a three (3) month extension of time, and the statement required by 37 CFR 1.137(b).

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay was unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must so notify the Office.

There is no indication that the person signing the petition was ever given a power of attorney or authorization of agent to prosecute this application. However, in accordance with 37 CFR 1.34(a), the signature appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he/she is authorized to represent the particular party in whose behalf he/she acts. If petitioner desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. A courtesy copy of this decision is being mailed to petitioner. Nevertheless, all future correspondence will be directed solely to the address of record until otherwise instructed.

Since petitioner has met the requirements to revive this application, pursuant to 37 CFR 1.137(b), the petition is **GRANTED**.

An extension of time under 37 CFR 1.136 must be filed prior to the expiration of the maximum extendable period for reply. See *In re Application of S.*, 8 USPQ2d 1630, 1631 (Comm'r Pats. 1988). Since the \$1,020 extension of time submitted with the petition on February 15, 2005 was subsequent to the maximum extendable period for reply, this fee is unnecessary and will be credited to petitioner's deposit account.

The application file is being referred to Technology Center Art Unit 1714, for review of the amendment filed with the instant petition.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3226.
